Your Halloween Weekend Update

The Phantom of the Opera

Don't miss this ultimate Halloween experience – a one night only showing – Saturday, October 28, 2023 – of the original 1925 silent film classic “The Phantom of the Opera” with live organ accompaniment. Legendary screen star Lon Chaney is the Phantom, accompanied live by organist Kevin O’Malia. The fun starts at 7:30 pm in Allentown Presbyterian Church, 20 High Street, Allentown – and it’s FREE! *(free-will donations gratefully accepted!)*

The event is offered to the community by the Central Jersey Chapter of the American Guild of Organists together with The Allentown Village Initiative (TAVI) through its “Allentown Arts” program, a series of performances and exhibits throughout the year designed to highlight the artistry of Allentown and Upper Freehold in the historic setting of the village of Allentown. This year’s Phantom screening is made possible through the generosity of our community as well as a grant from Monmouth Arts, a partner of the New Jersey State Council on the Arts, and the Monmouth County Board of County Commissioners.

Are you a music student (or know someone who is)? Come at 6:45 pm for a special “Meet the Organist” pre-program and enjoy a primer on the art of improv and organ accompaniment. RSVP by 10/27 *(for the pre-program only)* to mccormicknj@aol.com

Mix & Mingle with the residents of our cemetery. There are three hundred years of disquieting tales to be found here and many colorful souls to meet. Tread softly though, some of the inhabitants rest uneasily and are likely to be roused.
